

MOHIT NEGI

About Me

Highly motivated and hardworking fresher front-end developer with a strong desire to contribute to a team in the best possible way. Passionate about creating visually appealing and user-friendly web experiences. Committed to continuous learning and staying updated with emerging technologies. Eager to bring my skills and dedication to contribute to the success of an organization.

Achievement

• Hackathon Participation (2023)

Participated in a college-level Hackathon, utilizing programming skills to develop an innovative solution. Delivered a successful project, achieving recognition among peers for creativity and problem-solving abilities.

• Participation in the IT Fest (2023)

Participated in CYNET IT Fest Innovision 4.0 event, delivering successful presentation in front of an audience of 200 people. Gathered invaluable feedback from the panel of judges, which propelled me to the top 5 finalists out of 40 participants.

Experience

IT INTERN

July 2023 – August 2023
